

## Our Vision

Arkage believes that creativity and communication can change the future for the better. The world of communication is constantly changing, but the principles by which we carry it out remain constant: respect for people and their time, a passion for valuable communication with a high emotional impact.

Inspired by art and grateful to nature, we are committed to making a positive impact on our Planet. We began this journey at the dawn of the new millennium.

Many new competencies are on board, in an era of fabulously post-digital technology, to express the full potential of communication in the best possible way.

## How does the application process work?

- (1) you complete the application on the website [arkage.careers](https://arkage.careers) (don't forget to submit your [myers-briggs profile](#))
- (2) we get back to you for a first interview (usually within 2-3 days)
- (3) after the first interview, the person responsible for your team (creat/dev/cx, etc) gets involved for a second interview
- (4) almost done! we will discuss budgets and you will get a final interview with our CFO Barbara
- (5) welcome on board! Now an onboarding process begins

At any stage of the selection process, if something does not go as intended, we will send you an email explaining the reasons within 30 days from the first application. If it happens, don't worry! We periodically reopen the positions and if you are already in our DB you have more chances to join our ark in the future.

We invite you to stay updated about our events on [welcometothearkage.com](https://welcometothearkage.com)

*Please check the next page to know what we are looking for.*

## **Arkage is looking for a 3D Motion Graphic Designer (Milan), is that you?**

We are looking for a talented motion designer, with a strong post-digital attitude, with experience in creative animation/render who will be part of the motion design team producing video and static assets for several luxury brands.

### **Responsibility**

The candidate will immediately join a structured team, starting to work on international clients. The main areas of responsibility will be:

- Motion graphic design
- 2D and 3D animations
- Rendering
- Art direction
- Visual Design
- Video Editing
- Digital video compositing

### **Professional skills required**

- 2+ years of experience in motion graphic design, animation 2d/3d or art direction
- Agencies experience is preferred
- Advance knowledge of Cinema 4D, Redshift, AfterEffects, and Red giant suite is a must
- Knowledge of Xparticles 4, Greyscalegorilla plugins, Octane, Photoshop, and Illustrator
- Knowledge of Suite Adobe, InVision, Sketch, Zeplin, Keynote, Illustrator
- Good knowledge of English (C1, written and spoken)
- Excellent photo retouching and post-production skills

### **Attitude and Soft Skills**

- Desire to get in touch with an international context
- Ability to work in an organized manner, with method and professionalism
- Predisposition to work within a team but also reliable to work individually, under pressure,

- on disparate projects
- Speed of execution and ability to work even with short delivery times
- Smart mind and natural-problem solver
- Be curious and updated on new trends
- Aesthetic taste

### **Nice to have**

- Stunning portfolio/reel with online and offline projects
- Knowledge of Sidefx Houdini, hand drawing, Premiere

### **What we offer**

- Employment or Collaboration Agreement according to the candidate's profile
- Salary and professional category commensurate with the candidate's experience
- Company bonus
- Apple Inc. workstation
- Welcome Kit
- Arkage Learn Conferences and Events
- Training, online courses, books and documentation (offered by Arkage)
- Research and Development on innovative topics (VR, Wearable, IoT, iBeacon, AI and much more)
- Heterogeneous project teams: Developers, Designers, Creatives and Strategists
- Smart working (we did it even before Covid)

La ricerca è rivolta ad entrambi i sessi ex L. 903/77.
